

Helping local families fighting cancer "Live on, follow their dreams"

To Whom it Concerns:

My name is Kyle Cuiching. I started a nonprofit called #Elliestrong Forever to help children with cancer after I lost my daughter in April of 2019 to an 8-year battle with a brain tumor. During these eight years, I learned the many hidden needs of the patients and families fighting cancer. Along with family and friends, we started the 501c3 nonprofit in my daughter's name.

We are holding our third annual fundraiser for #Elliestrong Forever on April 9th, 2022 at Tap House Grill in Lemont. That will bring several hundred people to our community. That is why we are asking for your help. With your resources and donations, together we can make an incredible difference in families fighting cancer.

Would your business be willing to make an in-kind donation, items or service to help our cause? We will be having raffle baskets and a silent auction during this event. If you wish to be a sponsor for this event, please see the attached sponsorship information. We'd be happy to provide incentives for your business. We will thank you publicly, put your company's name on our website or on event literature in exchange to show our appreciation. If you'd like to begin this partnership, please don't hesitate to contact us at 708-287-3993, or feel free to fill out and send the attached donation request form with your contribution and we can start our conversation.

Please feel free to contact me at any time through email at ellistrongforever@gmail.com. You can also visit www.ellistrongforever.com for more information on the foundation.

I hope you consider helping us make this event an enormous success. All donations are 100% tax deductible. Please let me know as I am more than happy to come pick up to ease delivery. Thank you for your time and consideration.

Sincerely,
Kyle Cuiching (Ellie's mom)
