## Random Act of Kindness

Keeping **Ellie Cuiching's** memory alive  
through Kindness  
5/20/2004 - 4/24/2019

Ellie was a very kind person who loved doing Random Acts of Kindness. A Random Act of Kindness, or RAK, is a selfless act performed to either help or cheer up a random stranger or friend for no reason other than to make people happier. Kindness is contagious. It all starts with one act - one smile, one coffee for a stranger, one favor for a friend. Please take this card and perform a RAK (Random Act of Kindness) After performing the RAK, hand the recipient this card for them to keep kindness going.
